

## **DECLARATION OF CONFLICT MINERALS**

As a global supplier of commercial and industrial LCD display controllers, Digital View is aware of our obligations with regards to laws and regulations regarding Conflict Minerals, specifically the Dodd-Frank Wall Street Reform and Consumer Protection Act, Section 1502.

Digital View does not directly source or process conflict minerals such as Tin, Tantalum, Tungsten, or Gold.

Conflict minerals are contained in our products in the form of solder, or as a component in metal alloys. As part of our reasonable due diligence Digital View has contacted component suppliers within our supply chain to verify their continued compliance with the regulations.

Based on the information received thus far we declare that our products contain Conflict Minerals sourced from **conflict-free** areas.
